A final passage, prayer, or reading is a great way to end the memorial service for a loved one. Eulogies are common at funeral services and can be included just the same in a memorial service. For a full guide on this, check out the article on How to Plan a Memorial Service. The download includes 4 Microsoft Word files and 2 Photoshop Document files. What is a Funeral/Memorial Service Program?A funeral program (sometimes called a funeral brochure, an order of service, or pamphlet) is a printed paper or card that details the events of a funeral or memorial service. If you're looking for a more celebratory atmosphere, consider a toast or group song as the memorial activity. This could mean work and family or youth and older age, for example.Whatever type of funeral program you put together, the most important thing is to make it suit the memorial event or gathering you are hosting. At the same time, you have the flexibility to add anything else you feel is important to share. Keep in mind that the design and layout for a funeral service program and a memorial service program are largely the same. And the CMYK mode together with the 300 DPI resolution standards ensures that the quality of the printout is good enough. Best Memorial Service Program Examples & Templates 1. In general, most memorial services are under an hour in length. This is a great opportunity to share the full obituary, one or two photos, favorite passages, full text of songs or poems to be read, or messages from the family to those attending the event.
